

Diversity is being invited to the party,
inclusion is being asked to dance.

Verna Myers

ANGELA DONATI

KNOWLEDGE

Master Degree in Psychology - Communication and Work Psychology

ACC Coach - ICF Certified

Experiential Trainer

EXPERIENCE

Angela has a long-standing experience in designing and delivering training on communication, team dynamics, and human factors in sectors with different degrees of complexity: from aeronautics, and space to manufacturing and services.

She has been designing and delivering training courses to middle managers and system engineers, acting as the Human Factors trainer for EUROCONTROL and the European Space Agency since 2018.

In 2023 she delivered the training to the new group of ESA astronauts, on decision-making, teamwork and leadership in extreme, confined and stressful environments.

MISSION OBJECTIVE

Improving team performance in complex industries and challenging scenarios, like aviation, space, emergency services.

Reinforcing good behaviours and competencies on Teamwork, Leadership, Decision Making, Human Error, Communication, Stress Management.
