

Leadership and learning are indispensable to each other.
President John F Kennedy

CHRIS DAVIES

KNOWLEDGE

MAA Human Factors (HF) Supervisor / Facilitator
CAA Crew Resource Management (CRM) Examiner / Trainer
Military Airborne Instructor (AI)
Commercial Rotary- and Fixed-Wing (RW & FW) Pilot
Uncrewed (Drones) instructor and operator
Graduate Engineer

EXPERIENCE

25 years as an Army officer and pilot, leading teams in a variety of operational theatres.

Specialised in the fields of HF, CRM and Human Performance.

Developed and delivered training to professional groups across a range of complex, technical roles, including medical, commerce, energy, elite sport and aerospace.

Unique and extensive knowledge of Non-Technical Skills (NTS) requirements within the uncrewed sector.

MISSION OBJECTIVE

By combining cutting-edge «LAB»-based training with our experience in practical application, we aim to elevate standards, promote innovation, and empower individuals and organisations to achieve their true potential within safety-critical environments.
